Sir:

INFORMATION DISCLOSURE STATEMENT UNDER 37 C.F.R. § 1.97(c)

Pursuant to 37 C.F.R. §§ 1.56 and 1.97(c), Applicant brings to the attention of the Examiner the documents listed on the attached PTO Form 1449. This Information Disclosure Statement is being filed after the events recited in § 1.97(b) but, to the undersigned's knowledge, before the mailing date of either a Final Office Action, a Notice of Allowance, or any action that otherwise closes prosecution in the above-referenced application.

Each item of information contained in this Information Disclosure Statement (IDS) was first cited in a European Search Report dated August 9, 2004 issued by the European Patent Office in a counterpart European patent application. Hence, each item of information contained in this IDS was first cited in any communication from a foreign patent office in a counterpart

foreign application not more than three months prior to the filing of this IDS. A copy of the European Search Report dated August 9, 2004 is enclosed for the Examiner's consideration.

Copies of the listed documents are attached. Applicant respectfully requests that the Examiner consider the listed documents and evidence that consideration by making appropriate notations on the attached form.

While the European Search Report also lists U.S. Patent Nos. 5,881,032 A and 5,995,458 A, these references are not listed on the attached PTO Form 1449 because they were previously cited by the Examiner in this application in an Office Action dated April 8, 2004.

Moreover, while the European Search Report also lists EP 0715301A, this reference is not listed on the attached PTO Form 1449 because it was previously filed in an IDS in this application on July 14, 2004.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that the listed documents are material or constitute "Prior Art." If it should be determined that the listed documents do not constitute "Prior Art" under United States law, Applicant reserves the right to present to the Office the relevant facts and law regarding the appropriate status of such documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should any of the documents be applied against the claims of the present application.

EXCEPT for issue fees payable under 37 C.F.R. § 1.18, the Commissioner is hereby authorized by this paper to charge any additional fees during the entire pendency of this application including fees due under 37 C.F.R. §§ 1.16 and 1.17 which may be required,

including any required extension of time fees, or credit any overpayment to Deposit Account 50-0310. This paragraph is intended to be a **CONSTRUCTIVE PETITION FOR EXTENSION OF TIME** in accordance with 37 C.F.R. § 1.136(a)(3).

Respectfully submitted,

MORGAN, LEWIS & BOCKIUS LLP
